Irving Berlin's White Christmas Thomas Nelson

Celebrating the fiftieth anniversary of the film *White Christmas*, this Notebook not only pays tribute to the classic film, but is also a book containing everything you could want to know about snow. The CD in the back of the book includes Bing Crosby's classic version of *White Christmas*, as well as two other versions by Louis Armstrong and Vince Gill.

Biographical information about the film's cast, behind-the-scene stories about making the film, and the story of its success commemorate a holiday classic.

A portion of the book will focus on snow with recipes for snow cream, how to find out the most likely place in America to enjoy a white Christmas, how to make snow angels, facts about snowflakes, and how to make the perfect snowball.
