## **Gays of Our Lives (Queers of La Vista) (Volume 1)** Kris Ripper

Emerson Robinette only leaves his apartment to get laid and go to work. Having MS—and trying to pretend he doesn't—makes everything more complicated, especially his fantasies of coming on strong and holding a guy down. Finding a partner who'll explore that with him isn't Emerson's idea of a realistic goal.

Until a chance meeting with a hipster on a bus makes him reconsider. Obie is happy, open hearted, and warm; what's more, he gets his kicks being physically dominated, spanked, and teased until he's begging. It would be perfect, except for one thing: Emerson isn't made for happiness, and he doesn't see how a guy like Obie would settle for a cynic like him.

But as far as Obie's concerned, the only thing keeping them apart is Emerson. Can Emerson handle a boyfriend who's more invested in his future than he is? Emerson's barely convinced he has a future. But when Obie's smiling at him, anything seems possible.
