This sophisticated sci-fi thriller is set in the year 2001. A team of young science students makes an eerie discovery. Miles below the surface of the South Pole, the Ancient Ones, a race of crystalline beings, have awakened after a million years, horrified to find "their" world infected by a plague of humans. To eliminate humanity, the Ancient Ones create an army of cybernetic monsters who lay waste to South America, China, and Russia before descending upon Japan to do battle with Godzilla. The young scientists in Antarctica and Godzilla, King of the Monsters, are humanity's last line of defense against the giant monster army of the Ancient Ones. Nonstop action and thrilling battles will keep young adult readers glued to the page!
