**Menno Simons: His Life, Labors, and Teachings (Classic Reprint)** John Horsch

Excerpt from Menno Simons: His Life, Labors, and Teachings

Menno Simons is today perhaps the most neglected of the prominent leaders in the history of the Christian church. Neither in the English nor the German language is a book on his life and teachings available. The need of such a book seems to be recognized among Mennonites of all classes.

The writer has been led by the desire that a better acquaintance with the life and teachings of the earlier heroes of faith may become the common property of all who would follow their footsteps as they followed Christ's. The style of this book will, it is hoped, not be found more difficult than that of general books on history commonly used by young people.

The search for original prints of Menno Simons' writings in America has had gratifying results. The most important find is a complete copy of Menno's *Of the True Christian Faith and its Power* of which only one defective copy is known in Europe. Special thanks are due to Mr. Thomas L. Montgomery, state librarian of Pennsylvania, through whose kindness complete photographic reproductions of the originals of two important books of Menno have been obtained.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
