## **The Vengeful Corpse (Beware the Fury) (Volume 1) Russ Anderson Jr Beware the Fury!**

To the law-abiding residents of Port City, the vigilante known as The Fury is a myth – something between a dope addict's fever dream and a kooky story dreamed up to sell newspapers. To the city's burgeoning underworld, though, she is a real, constant threat, a living weapon clad in black and silver, determined to avenge all of Port City's wrongs – one criminal at a time.

It's the Spring of 1950, and a massacre at a tiny Italian restaurant foretells the eruption of a full-blown war between the city's gangs. Meanwhile, a murdered man comes back to life as a rampaging, immortal monster with superhuman strength. Now the Fury and her young partner, Muse, must not only unravel the mystery of this walking dead man, but also prevent rival criminal bands from filling Port City's streets with innocent blood.

THE VENGEFUL CORPSE is the first book in the Beware the Fury series.
