Advocacy/Harm Reduction in the Old Testament, New Testament, and The Quran: Prevention revealed in the scriptures! (Interfaith Talk) Rex C. E. Jones

This is a book for those of who are ashamed of what we have become as Human Service workers and who are ready to make a change. There are a group of people who are spiritually inclined to stand for that which is good for everyone, everywhere. This book reaches out to the people of God's Army who fight valiantly every day for the unfortunate and destitute of America and the World against a very self-centered and selfish system. I hope that through this work, we can all come together and save our families from pain, depression, degradation and injustice. This is not a book on revolution...it is a book about returning home to God as Believers and not as Muslims, Christians or Jews! I would like to thank Imam Abu Kariem Shabazz for his mentoring and teachings of Islam and Human Services in the Community. I would also like to thank Bertrum and Judith Watson for your friendship and love as Great Believing Christians!
