Teaching the Next Generations: A Comprehensive Guide for Teaching Christian Formation

Teaching the Next Generations: A Comprehensive Guide for Teaching Christian Formation How Ministers Can Be Excellent and Effective Teachers

Effective teaching is important not only to the Christian faith but to the success and impact of Christian ministry. This book champions the role of teaching as a necessary skill for ministers to develop, equipping them to work effectively for the spiritual growth of young people. Terry Linhart, who has more than twenty-five years of experience training youth workers, brings together expert Christian educators representing a broad array of evangelical institutions and traditions to show how teaching connects to discipleship and the church in current contexts. Designed for the classroom, the book covers a wide range of topics and includes helpful illustrative diagrams, tables, line drawings, and charts.
