Terrific Tools: A book in the series "Marvels Of Money ... for kids" (Volume 5) Paul Nourigat
Engaging original color illustrations bring this fictional story to life. Which tools should kids use to manage money? Who should they share personal and financial information with? Terrific Tools tells a story about Chelsea and Jack's adventures learning about the many financial tools that are available and how they are used in different settings. The story also provides strong messaging about privacy and security of information, through an interesting and natural set of encounters. A book in the series "Marvels of Money ... for kids"; richly illustrated, engaging and practical stories for young readers about the fundamentals of money. This book supports emerging educational (K-5) learning standards for common core, integrating "life skills" and "reasoning skills" into the fictional but realistic financial literacy stories. Each story in the series includes essential financial words, which are highlighted throughout each story and then defined in a glossary along with summary concepts at the end of each story. 3rd-6th grade level readers will find the 2,500 word story and numerical examples great for reading, mathematics, social sciences and financial literacy! Younger (K-2) readers may skim the concepts in a picture book manner, as there are incredible illustrations on each page. Great real-along and discussion books! FarBeyond Publishing ... Messages to last a lifetime
