The History of the 67Th Regiment Indiana Infantry Volunteers, War of the Rebellion (Classic Reprint) Reuben B. Scott

Lest the patriotic deeds and sufferings of silent heroes be forgotten in the debris of the dead past I am induced to pen the lines of the following pages. In compiling this work we found that to record all personal reminiscences would make a work too voluminous for the work, hence we have avoided personal mention and adhered to the main thread of our historic story whose details as to facts are true, though slight errors in dates may occur. To the great battles that the regiment was engaged in we have only attempted to give a slight description of the immediate locality of our regiment and many of the engagements as recorded in the list of Battles of the Rebellion, and as set forth in the list in this work has not received a description since in the stirring times of this great conflict we fought many skirmishes that in former wars would have been called battles, and are now recorded in the War Department as such, though we took but little account of at the time. From the fact that we were twice captured by the enemy, and our papers and records destroyed, reports are necessarily incomplete, and it is not claimed that this work is absolutely correct in every particular, but as an historic fact it is true and as such is submitted to the survivors of the regiment and to the general public and is DEDICATED TO YOUNG AMERICA BY R. B. SCOTT.
