Clip Notes for Church Bulletins: Volume 2 with CD-ROM (Clip Notes for Church Bulletins) David Philippiart

For several years, pastoral ministers have been using the first volume of Clip Notes for Church Bulletins to add brief, informative articles to their weekly bulletins, handouts for ministers, and parish flyers. This second volume of Clip Notes supplements the first with 75 new, helpful pieces on a variety of subjects, including Sunday Mass, the Eucharistic prayer, the celebration of marriage, the domestic Church, and saints of the United States and Canada, among others. Each article is ready to be photocopied or scanned into your publication, and eye-catching art accompanies each article. Inside yo'll also find a suggested schedule for using the articles, a chart to keep track of how, when, and where to use them, and a CD-ROM with the articles and art for desktop publishing. It is an invaluable resource for parish secretaries, bulletin editors, ministry coordinators, religious education directors and catechists, principals, pastors, and anyone who wants to help people enter more deeply into the liturgy and our Catholic tradition. CD-ROM included for Windows or Macintosh use. Published by Liturgy Training Publications.
