As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country.
