Fearless Critic Austin Restaurant Guide Robin Goldstein

Fearless Critic restaurant guides offer brutally honest reviews from undercover chefs and food nerds dining incognito and are totally supported by user funding rather than paid advertisements. The Fearless Critic is utterly unique in its candor, its rigor, its irreverent lack of deference to the sacred cows, and its devotion to finding a city's best food, wherever it may lie. Each review is a full-page long and includes a food rating out of 10, a feel rating out of 10, and practical information about the restaurant. The handy reference section lists all restaurants by cuisine, neighborhood, and special features and offers a specific guide for vegetarians. More than just entertaining reads, these are essential references for anyone who eats out. Covering 250 places to eat across Austin, the suburbs, and Texas Hill Country, from power lunch spots to quirky wine bars, Round Rock Sushi to Lockhart BBQ, this guide provides dozens of little-known bargain finds, from taco trucks to Korean groceries, ribs to tibs.
