Find a Job. Now! 21 Rules for Success Annamarie Altomare

According to the latest research, every job opening you see posted on the Internet in the U.S. will typically have about one hundred and twenty people submit their application for it. From that number, only twenty percent of them will advance to an interview. If the right candidate is found for the job, then they will receive an offer of employment. If not, the online advertisement starts all over. With tough competition like this, is there a way to get your resume to stand out and be part of that top twenty percent? Yes! You can be part of that top twenty percent if you do what others are not doing. If you learn and use the techniques in this book, you will: *apply for the right position for you, and provide an outstanding, well-crafted resume package. *Avoid wasting valuable time applying for jobs that will never result in an interview or a job offer. *Find new purpose and direction, connect with more influential people, and increase your income automatically with a great job. You can finally stop wasting valuable time looking for the wrong job which keeps you from finding your purpose, attracting influential people and increasing your income to the level you want. This book provides the necessary step-by-step action plans to help you be more successful and "Find a Job. NOW!" Using the exercises in this book, you can pinpoint the right industry for your life. You will learn how to write a resume package that gets you noticed. And you will discover successful interview techniques to help you make a lasting impression on your next employer! It is time to ACT so you can "Find a Job. NOW!" Start doing what it takes to get the right job for you, attract the people you want to attract, and achieve the income you want to achieve.
