This volume is a revised edition of a best-selling book which originally appeared in 1973. The revised book now includes the 610, 710, 200SX, 260Z, and 280ZX models. This was easily done because most of the hardware interchanges - a tribute to Datsun's product planning. Racing Datsuns or anything else is even more expensive now than when the original book was published and knowledge is still the most elusive, most important factor needed to field a competitive effort.
