**Science and Health First Edition** Mary Baker Glover, Footsteps Of His FlockTM

“Have you read the latest edition of SCIENCE AND HEALTH?” is a question one might ask. Each time you read SCIENCE AND HEALTH, it is a different book, for with Scientific growth and progress, each reading contributes more to realizing SCIENCE AND HEALTH is truly the Masterpiece of Life. Just so with this First Edition of Science and Health, printed in 1875. It complements the last edition, printed in 1906, as well as every edition and writings, of Mary Baker Eddy. It is “new, yet old.” SCIENCE AND HEALTH – FIRST EDITION includes the chapters entitled: “Natural Science”, “Imposition and Demonstration”, “Spirit and Matter”, “Creation”, “Prayer and Atonement”, “Marriage”, “Physiology” and “Healing the Sick.” This is just an outstanding book with much to offer the Christian Scientist. Especially interesting is Mrs. Eddy’s use of the word “Intelligence”, precursor to “Mind.” There is also more to learn of Spiritual Sense as opposed to material sense.
