Spinoza and Spinozism Stuart Hampshire

Stuart Hampshire, one of the most eminent British philosophers of the twentieth century, will be perhaps best remembered for his work on the seventeenth-century philosopher Spinoza, all of which is gathered now in this volume. Among the great thinkers of modern times, only Spinoza created a complete system of philosophy that rivals Plato's, with crucial contributions to every major philosophical topic.

Hampshire's classic 1951 book *Spinoza* remains the best introduction to this thinker, and it is reprinted here. But what gives particular interest to this new volume is the first publication of Hampshire's last work "Spinoza and Spinozism," an extended presentation of a Spinozist philosophical worldview. Hampshire's influential 1962 essay "Spinoza and the Idea of Freedom" is also included.

Spinoza and Spinozism is thus an ideal companion to the study and interpretation of this great philosopher.

From reader reviews:

William Stewart:

The book Spinoza and Spinozism can give more knowledge and also the precise product information about everything you want. So just why must we leave a very important thing like a book Spinoza and Spinozism? A number of you have a different opinion about guide. But one aim that will book can give many details for us. It is absolutely right. Right now, try to closer with the book. Knowledge or facts that you take for that, you could give for each other; you can share all of these. Book Spinoza and Spinozism has simple shape nevertheless, you know: it has great and big function for you. You can appear the enormous world by start and read a reserve. So it is very wonderful.

Rhonda Joiner:

What do you with regards to book? It is not important together with you? Or just adding material when you really need something to explain what the ones you have problem? How about your extra time? Or are you busy man? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Everybody has many questions above. They have to answer that question mainly because just their can do in which. It said that about publication. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this Spinoza and Spinozism to read.

Reta Zimmer:

Beside that Spinoza and Spinozism in your phone, it may give you a way to get more close to the new knowledge or data. The information and the knowledge you may got here is fresh from the oven so don't end up being worry if you feel like an aged people live in narrow commune. It is good thing to have Spinoza and Spinozism because this book offers to you personally readable information. Do you occasionally have book but you would not get what it's about. Oh come on, that will not end up to happen if you have this with your hand. The Enjoyable set up here cannot be questionable, like treasuring beautiful island. Techniques you still want to miss it? Find this book and read it from at this point!

Williams Carter:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Spinoza and Spinozism can make you sense more interested to read.
