## **Take WordPress beyond its comfort zone**

As the most popular open source blogging tool, WordPress is being used to power increasingly advanced sites, pushing it beyond its original purpose. In this unique book, the authors share their experiences and advice for working effectively with clients, manage a project team, develop with WordPress for larger projects, and push WordPress beyond its limits so that clients have the customized site they need in order to succeed in a competitive marketplace.

- Explains that there is more than one approach to a WordPress challenge and shows you how to choose the one that is best for you, your client, and your team
- Walks you through hosting and developing environments, theme building, and contingency planning
- Addresses working with HTML, PHP, JavaScript, and CSS

*WordPress: Pushing the Limits* encourages you to benefit from the experiences of seasoned WordPress programmers so that your client's site can succeed.
