**A Terrible Revenge: The Ethnic Cleansing of the East European Germans** Alfred-Maurice de Zayas

The genocidal barbarism of the Nazi forces has been well documented. What is little known is the fate of fifteen million German civilians who found themselves on the wrong side of new postwar borders. All over Eastern Europe, the inhabitants of communities that had been established for many centuries were either expelled or killed. Over two million Germans did not survive. Some of these people had supported Hitler, but the great majority were guiltless. In *A Terrible Revenge*, de Zayas describes this horrible retribution. This new edition includes an updated foreword, epilogue and additional information from recent interviews with the children of the displaced.
