Malice Lisa Jackson

The scent is unmistakable gardenias, sweet and delicate, the same perfume that his beautiful first wife, Jennifer, always wore. Opening his eyes in the hospital room where he's recovering from an accident, New Orleans detective Rick Bentz sees her standing in the doorway. Then Jennifer blows him a kiss and disappears. But it couldn't have been Jennifer. She died twelve years ago...

Once out of the hospital, Bentz begins to see Jennifer everywhere. Could she still be alive? But it was Bentz who identified Jennifer's body after her horrible car wreck, and there had been no question in his mind that it was her crumpled form behind the wheel, her clothes, her wedding ring. He's never doubted it until now. He can't tell his new wife, Olivia, about the sightings or his secret fear that he's losing his mind. But Olivia is also hiding a secret...

When a copy of Jennifer's death certificate arrives in the mail, emblazoned with a red question mark, Bentz follows the postmark trail to Los Angeles, returning to the painful memories he's tried so hard to forget, and straight into a killer's web.

Someone's been waiting patiently, silently. Someone who knows exactly what happened that night twelve years ago and has been anticipating Bentz's every move. Soon it will be Bentz's turn to suffer for his sins. But he won't be the only one made to pay the ultimate price. For a diabolical killer has now made Olivia the prime target...

A vengeful ex-wife appears to have returned from the dead to stalk her ex-husband in this gripping thriller from bestseller Jackson (*Absolute Fear*). Former LAPD detective Rick Bentz has rebuilt his life with a happy marriage and new career with the New Orleans police 12 years after divorcing his unfaithful first wife, Jennifer, who subsequently died in a car crash. After "a freak accident in a lightning storm" that left him temporarily paralyzed, Rick starts seeing Jennifer's ghost. When Rick receives an anonymous package mailed from Culver City, Calif., containing recent photos of a woman resembling Jennifer, he goes to California to investigate. In L.A., the Twenty-one killer, who strangles identical twins on their 21st birthday, resurfaces. Rick's last unsolved L.A. case involved victims of this serial killer. Jackson heightens the creep factor by including the viewpoint of a character whose hatred for Rick for past wrongs inspires another extreme killing spree. (Apr.)
