Make math matter to students in kindergarten-grade 2 using Money! This 64-page book helps students recognize, sort, and count coins. Students learn vocabulary, as well as how to order and exchange coins by value, use coins to shop, and solve story problems. This book includes reproducible pages, teaching suggestions, a pretest and posttest, fun activities, games, and a reproducible parent letter. It is great for whole-group lessons, independent work, learning centers, and at-home enrichment. The book supports NCTM standards. Key Education products are intended to engage and educate young and special learners, as well as assist teachers in building a strong and developmentally appropriate curriculum for these children. The product line—comprised of teacher/parent resource books, photographic learning cards, and other activity- and game-oriented materials—is designed to assist in “Unlocking the Potential in Every Child.”
