Philosophy of a mad man Cedric Pierce

Philosophy of a Mad Man is a collection of poetry written over the course of two decades. It displays the diversified talent and subject matter of the author, Cedric Pierce. It gives the reader a glimpse of the mindstate of Pierce. At times he is filled with rage and pain while others he is passionate and kind. His writings at times seems to contradict, however that's not the case. Pierce's writings are the truth, and examine the full range of human emotions. His street savvy and self educated demeanor puts him in a separate class. His poetry is who he is. Cryptic, intelligent, simple but complex, inviting but desolant. Writing is his freedom. He escapes from his rigid real life, in which all things must be in order. Experience the writings and life of one of our soon to be greats.
