Portal to the Forgotten John Gschwend
"Ours is not the only world!"

A country law officer discovers this in the Ozark Mountains while looking for a teenage girl who was reported to have literally disappeared into thin air while hiking there.

Luke is a shy and reclusive Arkansas constable. Elected as the butt of a joke, he has never done anything to warrant being a law officer. However, when his cousin, Tyler, is implicated in his own girlfriend's disappearance, Luke must become a real lawman. The case would be strange even for a seasoned law officer. Not only did Tyler's girlfriend, Grace, disappear while hiking in the mountains, she literally vanished into thin air as Tyler looked on in disbelief.

Accompanied by a persistent but beautiful reporter, Luke goes up on the mountain to investigate. There he discovers the world is not what mankind believes it is. There is a portal on the mountain to a forgotten, ancient world.
