"Quack, quack! Buzz, buzz! Mooooooooooooo! Animals make sounds, and so can you! As you read and roar along, don't forget the bluebird's song!" The kitty-cat's "meow" and the puppy-dog's "woofs" have been among the favorite first sounds of children for generations. This book combines sweet and simple animal illustrations with each creature's sound, creating word pictures that help young children get a head start on learning about their world.
