The Philosophy of Animal Rights: A Brief Introduction for Students and Teachers

Mylan Engel, Kathie Jenni

The Philosophy of Animal Rights: A Brief Introduction for Students and Teachers Mylan Engel, Kathie Jenni

In this clear elucidation of the philosophy of animal rights, professors Mylan Engel Jr. and Kathie Jenni explore the fundamental outlines of the debate over our duties and responsibilities toward nonhuman animals. They also examine how the issue of animal rights plays out in a classroom setting and address some of the questions that arise for both students and teachers in presenting and studying this subject. In two course syllabi, Engel and Jenni place animal rights in the context of ethical practice and the environmental movement. The book also contains an extensive bibliography of references and philosophical resources.

The Philosophy of Animal Rights grew out of a chapter published in *Teaching the Animal: Human–Animal Studies across the Disciplines* (Lantern, 2010), and contains an introduction to, and appendices on, *Human–Animal Studies* by Margo DeMello.

Shirley Dildy:

Is it you who having spare time after that spend it whole day simply by watching television programs or just lying on the bed? Do you need something totally new? This The Philosophy of Animal Rights: A Brief Introduction for Students and Teachers can be the solution, oh how comes? A fresh book you know. You are therefore out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these ebooks have than the others?

Deanna Thompson:

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the educator want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Philosophy of Animal Rights: A Brief Introduction for Students and Teachers can make you sense more interested to read.
