This book on Islam has become a guide to many in churches around America on the precepts of Islam. Since the first addition we have gleaned some additional insights and hope to share them with you in this guide. The information has been drawn from many sources and I have tried to give a basic understanding of Islam, Muhammad, Quran, and many other areas including how to reach a Muslim for Christ. Islam continues to be a threat to the world and almost every day you hear of someone who has been killed by the violent acts of the Jihadist. America is now the target of Islam and do the leadership of President Barack Obama they the Jihadist do not feel threatened. With the war ending in Iraq and the pulling of American presence out of the country Iran has made its move to bring it under its wings. Iran is threatening nuclear warfare and more than likely in the next two years will have nuclear weapons unless the grace of God intervenes.
