Worlds of History, Volume II: Since 1400: A Comparative Reader Kevin Reilly

Worlds of History offers a flexible comparative and thematic organization that accommodates a variety of teaching approaches and helps students to make cross-cultural comparisons. Thoughtfully compiled by a distinguished world historian and community college instructor, each chapter presents a wide array of primary and secondary sources arranged around a major theme — such as universal religions, the environment and technology, or gender and family — across two or more cultures.
