## Yearbook of International Organizations 2015-2016, Volume 2: Geographical Index - A Country Directory of Secretariats and Memberships

The *Yearbook of International Organizations* provides the most extensive coverage of non-profit international organizations currently available. Detailed profiles of international non-governmental and intergovernmental organizations (IGO), collected and documented by the Union of International Associations, can be found here. In addition to the history, aims and activities of international organizations, with their events, publications and contact details, the volumes of the *Yearbook* include networks between associations, biographies of key people involved and extensive statistical data. Volume 2 allows users to locate organizations by the country in which secretariats or members are located.
