At Art Therapy Coloring, we have created a multitude of anti-stress coloring books that let you relax and relish in the simple joy of coloring. There are many things that you can do for fun. Why is coloring so great? Anti-stress coloring books for adults are surprisingly good at relieving stress. Coloring has been shown to have many of the same physical and even neurological benefits as meditating. Coloring causes your brain to produce dopamine, a stress reducing and pleasure increasing hormone. Coloring has also been shown to lower your blood pressure!

Coloring can be a fun and attainable way to meditate. Coloring enables you to be in the moment to practice mindfulness. All of your attention is focused on choosing colors and staying in the lines so you don't have to think about anything else, similar to the meditative practice of concentrating on your breath. Meditation is sometimes difficult for beginners. The simple act of concentrating on your adult coloring page helps to keep your brain from being overloaded with thoughts. You can practice mindfulness and meditation through your coloring.

Adults everywhere have rediscovered the happiness of their childhood by coloring in anti stress coloring books for adults. Art Therapy adult coloring books are here to help you feel like a kid again!
