## **Black Soldier of Mercy** Joseph E Brown

Joe Brown served in two wars during the time when black soldiers were finally getting the respect they deserved in the United States military. He was drafted into the U. S. Army at the end of WWII and released early when the war ended. Then the Korean War came and in his third year of pre-med school, he was called back into service. Soon Joe found himself in a medical unit in the thick of the fighting in North Korea. This is his story in his own words. It is black history at its finest; personal and true to life.
