Built For Speed: The Ultimate Guide To Stock Car Racetracks Bob Latford
Stock car racing is more popular than ever, with NASCAR races now on network TV and among the country's best-attended sporting events. Loyal race fans are always hungry for the latest statistics and track features, and this fact-filled, full-color book offers the inside scoop on all of the NASCAR Winston Cup tracks on the circuit. Detailed track maps make it the perfect companion for watching races, live or on television. It's the most up-to-date book available. *Built for Speed* includes detailed maps, history, lore, specifications, and behind-the-scenes looks at each track, plus detailed information on the rules and regulations of the sport, the changing technology of racing, and the tactics appropriate for driving on every NASCAR track. Also featured is a special tribute to the late racing great Dale Earnhardt.
