Confessions of a Female Private Investigator Tiffany Bond

In her three plus years with the police force, Tiffany Bond dealt with suicides, fatal car accidents, and rape cases. During her time working in the Prostitution Unit, she posed as a prostitute to catch men who would approach her looking for sex. A few years after her police career ended, Tiffany caught her husband visiting prostitutes. After their marriage ended, she decided to set up her own private investigation company to help other people who found themselves in similar situations. The stories told are of real cases where Tiffany has helped multiple women and men by investigating their partners and uncovering the truth. Tiffany has uncovered wives working as strippers and prostitutes and husbands visiting brothels. She has also investigated cyber stalking, domestic violence cases, discovered profiles on sex sites, and also conducts a service called Integrity Testing where a wife pays a decoy to approach her husband to test his integrity and faithfulness.
