Confessions of the World's Oldest Shotgun Bride Gail Hart

Rules were meant to be broken; condoms not so much... Business executive Katie St. John has given up on love, which she sucks at, to focus on her red-hot career. All she wants from Steve Tyler, an ultra-sexy, surprisingly sweet, and much younger Air Force pilot, is help crossing some items off her secret to-do list of sexual fantasies. Sure, the chemistry between them is hotter than the Cayman sun, but once this vacation's over, she'll say good-bye and go back to plotting corporate coups. But Steve won't settle for being her temporary boy toy. He's lusted after Katie, the glamorous older woman who lived next door when he was a kid, since he was old enough to know what lust was. Now that she's finally moved from his fantasies to his bed, he's not about to let her go without a fight—especially once he learns she's returned home with the mother of all souvenirs! This steamy contemporary romance was a 2013 Golden Heart finalist.
