Erebus Shaun Hutson

EREBUS Wakely was just a small farming community, but something was desperately wrong - with the livestock and with the people. Suspicion points to the Venderburg Chemicals Group, as it seeks to protect its interests - no matter what the cost to Wakely or, indeed, to mankind. And who would have thought that red meat could be quite so deadly...? VICTIMS Some are born to be murder victims. Frank Miller, special effects man for countless horror films, knows this. Blinded in a bizarre accident but given the transplanted eyes of a murderer, Miller is disturbed to find he can spot potential victims. However, as they search for a maniacal killer, the police ignore Miller's offers of help. As the body count rises, Miller becomes a target. But will he stop the carnage, or become the next casualty?
