Parish Pastoral Councils: A Formation Manual Jim Campbell, Debra Snoddy, Andrew McNally

This is a 'how-to-do-it' workbook that lays out the necessary steps for forming, enabling and sustaining a parish pastoral council. It moves from introducing the concept of a parish pastoral council to its formation and planning, and on to its first few years of activity. The book provides detailed step-by-step procedures, which can be easily adapted to any parish situation. These procedures are further detailed on an accompanying CD, which provides visual aids and kick-off points for discussion. While other books on parish pastoral councils focus on the theory, this book is simply about getting it done. The focus is practicable and singular: to form a parish pastoral council with sufficient knowledge and training to get some 'real' work done for the good of all in the parish community.
