Red Dot Design Yearbook 2008/2009 2 Volumes Peter Zec

The designers of this world are constantly on the lookout for new answers to the challenges of our times. They present their best design concepts to the jury of the red dot design award, one of the most significant contests for international design in comparison. Its jury identifies the most interesting and fascinating products and their design which will change our life already tomorrow. The winners are presented in these two books.
