Southeast Asia is a world filled with mystery and intrigue, and one that doesn't give up its secrets easily—as the author and his wife soon found out! *Walking To Singapore* is an often hilarious, but always informative look at the daily lives and disparate cultures of the region, and provides insight into the history of the region, the best (and most bizarre) foods, even religious temple etiquette. The book celebrates the beauty of Southeast Asia: swimming with sea turtles in Malaysia, seeing the sunrise from the rim of a smoking volcano, the Grand Palace in Bangkok, and watching wild orangutans waking at sunrise in Borneo. The author's adventures also take them to some of the most magnificent historical and archaeological wonders of the world such as Angkor Wat in Cambodia, Burma's city of 4,000 temples at Bagan, and the magnificent Buddhist and Hindu monuments of Borobudur in Indonesia. Helpful as a guide to budget travel in Southeast Asia—for about \$10 per day!—*Walking To Singapore* also recounts some of the difficulties and downright danger that await—from an all night journey along the Road to Mandalay in Burma, to leeches in Sumatra, to grenade attacks in Phnom Penh!
