Anything But Ordinary Lara Avery

Bryce remembers it like it was yesterday. The scent of chlorine. The blinding crack and flash of pain. Blood in the water.

When she wakes up in the hospital, all Bryce can think of is her disastrous Olympic diving trial. But everything is different now. Bryce still feels seventeen, so how can her little sister be seventeen, too? Life went on without her while Bryce lay in a coma for five years. Her best friend and boyfriend have just graduated from college. Her parents barely speak. And everything she once dreamed of doing—winning a gold medal, traveling the world, falling in love—seems beyond her reach.

But Bryce has changed too, in seemingly impossible ways. She knows things she shouldn't. Things that happened while she was asleep. Things that haven't even happened yet. During one luminous summer, as she comes to understand that her dreams have changed forever, Bryce learns to see life for what it truly is: extraordinary.

From reader reviews:

Cornell Smith:

Here thing why this Anything But Ordinary are different and dependable to be yours. First of all studying a book is good but it depends in the content from it which is the content is as yummy as food or not. Anything But Ordinary giving you information deeper including different ways, you can find any book out there but there is no reserve that similar with Anything But Ordinary. It gives you thrill studying journey, its open up your own personal eyes about the thing that will happened in the world which is probably can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your means home by train. When you are having difficulties in bringing the imprinted book maybe the form of Anything But Ordinary in e-book can be your alternative.

Linda Monge:

A lot of people always spent their very own free time to vacation or maybe go to the outside with them household or their friend. Are you aware? Many a lot of people spent they free time just watching TV, or maybe playing video games all day long. If you would like try to find a new activity this is look different you can read a book. It is really fun in your case. If you enjoy the book that you read you can spent all day long to reading a publication. The book Anything But Ordinary it is rather good to read. There are a lot of folks that recommended this book. They were enjoying reading this book. In case you did not have enough space bringing this book you can buy typically the e-book. You can m0ore simply to read this book out of your smart phone. The price is not too expensive but this book has high quality.

Ann Strickland:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book ended up being rare? Why so many issue for the book? But any people feel that they enjoy intended for reading. Some people likes looking at, not only science book but additionally novel and Anything But Ordinary as well as others sources were given know-how for you. After you know how the truly great a book, you feel want to read more and more. Science reserve was created for teacher or even students especially. Those publications are helping them to increase their knowledge. In additional case, beside science e-book, any other book likes Anything But Ordinary to make your spare time far more colorful. Many types of book like this one.

Tyler Cote:

As a college student exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart or real their pastime. They just do what the educator want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Anything But Ordinary can make you truly feel more interested to read.
