Earth In the Beginning Eric N. Skousen

With a background in the physical sciences, Dr. Eric Skousen has produced a stunning account of the creation of the earth from the findings of earth scientists and the teachings of the Lord's prophets.

At last, many perplexing questions about the earth's creation can be answered with confidence. How long did it take? Where did it take place? What about evolution, fossils, dinosaurs and cave men? The answers are here.

For those who have been challenged to explain the earth's creation from an LDS viewpoint, this book will be helpful and enlightening. And for those who simply enjoy contemplating both the discoveries of science and the revelations of God, this book will be extremely stimulating and thought-provoking.

Fully illustrated. This eBook includes the original index, footnotes, table of contents and page numbering from the printed format.
