FB Fan Page Domination: How to build a profitable business using your fan page Mr Otoabasi Umonting

FB Fan page domination is a basic training manual for entrepreneurs, small businesses, consultants, and account managers who are looking to use facebook as a marketing tool for their business. It breaks down the core values of not just owning a fan page, but also building a solid community of fans who can go all the way to help promote your business. It also explains the importance of branding your business properly on your page, and how to find your niche within the facebook platform and position yourself in front of them as a problem solver/expert. Please leave an honest review after reading through the book. Thanks
