Kayla Crawford is having a bad night. Things are spiraling horribly out of control faster than she can blink her eyes. First her husband walks out on her, and then her grandfather gets into a terrible car accident. The good life as she once knew it now sucks. So when a gorgeous guy makes her an offer she can't refuse, she feels the super sexy stallion must be too good to be true. Or is he? Millionaire Richmond Spaulding has never gotten over the loss of his wife. A very powerful man, he can have any woman he wants, but all he cares about is raising his precious daughter. Certain that true love can only happen once in a person's lifetime, Richmond thinks his life is okay just as it is until he meets her—beautiful Kayla—who stokes a burning fire in Richmond he thought had long ago vanished. Soon he finds himself doing things just to make her happy and fulfilled, and by any means necessary, he protects her from the one person he knows means her no good. Kayla made a vow never to trust a man again. Knowing she has a deep rooted secret that could destroy her, she's determined to keep Richmond at arm's length. However, with every tender kiss from Richmond's eyes, and every sinful touch he places upon her, sparks fly between them. Chemistry is ignited, pulling them closer and closer together. The attraction they feel for one another is too hard to resist, so they let themselves fall madly in love, hard. And fast. Just as Richmond gears up to give Kayla the very best of him by offering her his all, her secret is exposed. Now everything Richmond and Kayla worked so hard to establish with one another is threatened.
