Meditations for Deepening Love Collection Christopher Alan Anderson

The collection includes 47 booklets that highlight the author's writings and allows the reader to experience eternal love, one to another. Now, the question for men is, do you see into the soul of woman? Do you see her unity? Eternal love cannot be yours until you do. When you do, eternal love cannot be denied you. And women, do you see the soul of man, his individuality? Do you see that man holding the division of male and female with all his might just for you? That is where your eternal love lies. To enter the sanctuary of love we must know that very soul of our sexual other. And I will tell you that the distinct essences of male and female will never change. Male and female are from the beginning and will always be. Meditations for Deepening Love Author Bio: Christopher Alan Anderson (1950 -) received the basis of his education from the University of Science and Philosophy, Swannanoa, Waynesboro, Virginia. He resides in the transcendental/romantic tradition, that vein of spiritual creativity of the philosopher and poet. His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love. Mr. Anderson began these writings in 1971. The first writings were published in 1985. On a personal note, when Mr. Anderson was asked to describe the writings and what he felt their message was he responded, "Spiritual procreation. Mankind has yet to distinguish the two sexes on the spiritual level. In this failure lies the root of our problems and why we cannot yet touch the eternal together. The message of man and woman balance brings each of us together in love with our eternal other half right now." keywords: Meditation, Love, Metaphysics, Sexual, Surrender, Eternal, Life, Romance, Freedom...
