Put a Ring on It: A Novel (Zane Presents) Allison Hobbs

From the bestselling author of *Big Juicy Lips* and *Double Dippin'*, a story about three friends with three different paths to the same goal: a husband, despite the dismal odds.

The race to the altar is on. Can these three friends find husbands despite dismal odds?

Nivea, Vangie, and Harlow share one goal: each is desperate to be married. Their strategies for finding a mate may be different, but will their results be the same?

Nivea is *this* close to saying “I do,” but when her economically challenged fiancé dumps her, she turns to a destructive replacement: liquor.

Not only has Vangie’s deadbeat baby daddy resurfaced, he’s courting her with unrestrained zeal and spending quality time with their young son. Could he finally be the partner she’s always wanted him to be?

After a horrifying childhood, Harlow is certain she’s found true love with savvy businessman Drake Morgan. But Drake has a secret that could destroy Harlow’s only chance at happiness.

Will these women find the love and commitment they desire, or will they discover that happily ever after is an unattainable dream?
