Rally Yearbook 2006-2007: World Rally Championship (Rally Yearbook: World Rally Championship) Philippe Joubin

This is the famous WRC (World Rally Championship) annual: the complete report about each race, with a magazine section at the beginning of the book featuring stories about the world champion as well as other historical and technical topics. The Rally championship becomes more and more popular as the show has recently been improved to better fit with TV coverage requirements. With on-board cameras and TV footage during prime time, the WRC is indeed now very popular in Britain, where it even challenges Formula One. This book is all about the magic of the WRC, with many pictures illustrating the wonderful landscapes which are the background of the championship, from Australia to Argentina. It is published immediately after the last Rally, the RAC Rally of Britain.
