Shades of Ritual

Shades of Ritual

Although many of the roots of Paganism come from the lands of people of color, much of the color of Paganism is forgotten in the cultural mainstreaming that happens to ethnic cultures. This forces many people of color within Paganism to walk between the worlds of their birth ancestry and culture, and that of their spiritual culture. *Shades of Ritual: Minority Voices in Practice* is the second installment of the *Shades of Faith* series. This anthology is a collection of pieces that challenge traditional perceptions of Eurocentric Paganism, and gives the reflections of people of color within their practice of Pagan spirituality. Its contributors address some of the complexities of practice, for those who are both part of an ethnic minority and also a practitioner of a minority religious path. *Shades of Ritual* offers insightful, beautiful and genuine reflections of the practices of people of color within our community. The authors practice a variety of traditions, including Wicca, Voodoo, Umbanda, Shaman, and other Pagan paths. Join us once again while we celebrate the beauty of diversity within Paganism, giving a voice to the practices, writing, poems, and wisdom of Pagans of color in our community. Let us continue to explore the range of experiences and practices of those who add a little color to our Pagan landscape. Contributors include: Nadirah Adeye, Clio Ajana, Crystal Blanton, Flame Bridhesdottir, Leslie Brooks, Janet Callahan, Alexandra Chauran, Dr. Katharyn Privett-Duren (Seba O'Kiley), Yutaka Furuki, Abel R. Gomez, Olivia Haynes, Yvonne E. Nieves, Luna Pantera, Nathaniel Puckett, Rt. Rev. Anniitra Ravenmoon, Sandra Santiago, Szmeralda Shanel, Rose Skye, Jayde Van Ter Pool, Pablo Vazquez III, Heaven Walker, Cecily Joy Willowe, M.Div., and Alisa Kuumba Zuwena

From reader reviews:

Markus Walker:

People live in this new day of lifestyle always aim to and must have the extra time or they will get lots of stress from both day to day life and work. So , whenever we ask do people have spare time, we will say absolutely without a doubt. People is human not really a robot. Then we ask again, what kind of activity are you experiencing when the spare time coming to anyone of course your answer will unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative inside spending your spare time, the book you have read will be Shades of Ritual.

Todd Apperson:

Do you have something that you prefer such as book? The publication lovers usually prefer to pick book like comic, small story and the biggest you are novel. Now, why not hoping Shades of Ritual that give your fun preference will be satisfied by reading this book. Reading behavior all over the world can be said as the opportunity for people to know world far better then how they react to the world. It can't be mentioned constantly that reading addiction only for the geeky particular person but for all of you who wants to become success person. So , for all you who want to start looking at as your good habit, you can pick Shades of Ritual become your personal starter.

Dave Arreola:

Are you kind of stressful person, only have 10 or 15 minute in your moment to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you have problem with the book compared to can satisfy your limited time to read it because all of this time you only find guide that need more time to be examine. Shades of Ritual can be your answer mainly because it can be read by anyone who have those short time problems.

Danica Johnson:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Shades of Ritual can make you experience more interested to read.
