"This thunderous volume of Christian apologetics preaches New Testament dogma with Old Testament vigor... (I AM the Origin of Species is) a vehement, lyrical restatement of biblical strictures, full of fire and brimstone. (Maurice's) writing offers an energetic, well-tuned reprise of the poetic, prophetic style of Scripture ... readers for whom the aforementioned ancient verities are gospel may find it captivating" - Kirkus Reviews

"Written in an 'easy-to-engage' format, one that will keep reader attention, this book is very well worth the read ... (Maurice Suwa's) unique voice and promising writing style bring a lot to the table in this genre (apologetics)." - Chris Fischer, Readers' Favorite

"If Jesus Were Writing To Our Dying World, What Would He Say?"

--to Galapagos and Darwin (Evolution):

"O man, the splendid earth [with its fullness] and the universe [in its glory] did not 'self-assemble.' I the Lord God made them, and my name is Yahweh ... Now, return from folly and seek wisdom; regain pure knowledge and attain true science--for then you will discern that I AM THE ORIGIN OF SPECIES!"

--to Ur and Shinar (America):

"O America, I am your Liberty, and you are that huddled mass yearning to breathe free. I am your Lighthouse, the One beaoning [yea, beckoning], and you are that wayfarer--strayed, grayed, and frayed ... Now, return, you tempest-tost; lift up your gaze to the lighted torch aloft the golden door and come home."

--to Shiloh and Bethel (Pastors):

"Behold, I come quickly, O shepherd; and I come, my reward with me. I, the Lord of the harvest, am coming--but not for your picturesque cathedrals and elegant sanctuaries. Lo, I am coming for my Church: a sheep without spot or wrinkle, a bride chaste and comely--those I entrusted into your hands, O priest."

In *"I AM the Origin of Species!"* the Mind of Christ finds its voice, challenging man's worldviews and charging the believer to deeper faith. Written in the spirit of Jesus' letters in Revelation, these letters clarify biblical truths, affirm God's counsel on today's burning issues (like evolution, atheism, America's secularity, sexuality, the stewardship of pastors, African Traditional Religion, the occult), and call all men to newness and fullness of Life in Christ Jesus.
