Riot!: Tobacco, Reform, and Violence in Eighteenth-Century Papantla, Mexico is an exploration of the Totonac native community of Papantla, Veracruz, during the last half of the eighteenth century. Told through the lens of violent revolt, Riot! is the first book-length study devoted to Papantla during the colonial era. Riot! provides a much needed exploration of what the colony-wide policy reforms of Bourbon Spain meant on the ground in rural communities in New Spain. The narrative of each uprising draws the reader into the crisis as it unfolds, providing an entrée into an analysis of the event. The focus on the community provides a new understanding of the demographics of this rural community, including an account of the as yet unexamined black population of Papantla.
