Leslie Thompson's life is spinning out of control. She is pregnant, broke, and alone. She moves back to Casselton, North Dakota to be closer to her family and friends because she needs their support. Upon driving to her parents' home, her car breaks down, and she gets stuck in a blizzard. She sees a home in the distance and makes the decision to seek refuge. When she arrives at the house, she receives another shock. The man standing before her isn't Mr. Johnson. He is Blake Eaton, and he is sexy as sin. He is also twenty years her senior. Yet, she has more impending troubles. Her water breaks. Blake Eaton had no idea how much his life would change the moment Leslie showed up on his doorstep. He doesn't even realize she is pregnant until she is in his home. He can't figure out what would drive a woman to such extreme measures to make a trip in her condition. When he discovers the father of her child has abandoned her, he is astonished. Still, he is shocked to find himself so attracted to a woman pregnant with another man's child. He doesn't know if he is going to survive being stuck in his home with her while a blizzard is raging outside, because there is another storm brewing inside. Blake wants her, and he doesn't plan to let her go.
