Desolate Vineyards (English-Arabic): Reflections on Objections to Christianity Dr W A Sofien

Desolate Vineyards is a discipleship manual the author developed during seven years of doctoral studies. The author catalogued the forty-four main objections to Christianity that Muslim thinkers use to spiritually abuse their followers. As with physical abuse, it may take a Muslim-background person a long time, or a life-time, to recover from the spiritual abuse of false teachings about Christ. Therefore, the forty-four responses are a systematic therapy for Muslim-background persons. The forty-four responses demonstrate the strength of a Biblical, Christ-centered worldview and expose the incoherency of Muslim arguments against Christianity. The manual has an attractive layout with English and Arabic side by side for quick reference.
