## **Gina Nemo:: Book of Haikus** Gina Nemo

Gina Nemo pens a unique form of haiku - flowing, natural, meaningful and thought-provoking. Her haikus speak "real life". She brings you to the heights and depths of your soul. Her words encourage you to explore the condition of your relationship with the world: your family, your friends and lovers, but most importantly, your "self". Inspired by her own experiences of life, haikus flow from Gina's mind as naturally as a pure mountain spring. She will take you on a journey through space and time. Where she will grab your very essence, turning you inside out and upside down. When she has finished with you, she will gently bring you back to reality. This is but one of Gina's admirable qualities. I have been reading Gina Nemo's haikus and poems since 14th of June, 2013. I look forward to each new haiku and poem as though it were the first. Also, I have been playing Gina's own recordings of her poems on my radio show: "MY KIND OF MUSIC", on CRY104FM, Youghal, County Cork, Ireland. This has made my show special and interesting. Feedback from my listeners, through phone calls and texts, tells me that they enjoy Gina's poetry. In fact, they have requested that I play more poems during my show, which I am now doing. Poems come from Gina's books, "Strings", "Scarlet", and her latest book of poetry, "Carousel". Also, poems come from her audio poetry releases, "Strings", "Swoop", and "Serenade". - Paddy Lane
