This is a book of colorful and imaginative children's clothes to sew, designed with kids in mind. The authors are designers and owners of two popular pattern companies for kid's clothes—Farbenmix and Studio Tantrum, known in the sewing community for their creativity, versatility, and fit. This collection of exclusive patterns, included with the book, offers step-by-step instruction for making boys' and girls' clothing with a variety of fabric styles and decorative embellishment—including embroidery, patchwork, and trims. The patterns for pants, tops, skirts, and dresses include variations for long and short hemlines and sleeves, various necklines, and adjustable lengths. The patterns are sized from 18 months to kid's size 12.
